Dear Keith;

Thanks, you just saved me \$3800!!!! We have been using you for our carpet cleaning needs for over 10 years. I'm in the Real Estate investment business and you have cleaned many homes and several office buildings for us on a regular basis.

This was the best job yet, Keith you're the best... The house you just completed had carpet that I thought was too badly stained and appeared wore out and I was planning to replace it. However my wife Connie strongly suggested that I let Keith and Select Cleaning give it a try and the results were unbelievable!!! In four hours this 3400 square foot house, mainly carpet, looked great!!

You really saved me a bundle....

Sincerely,
